Legal Limitation

Limitation

This declaration has been prepared based on information reasonably available to Eaton with reference to the products as of the date of their issue. The Company reserves the right to supplement this declaration should further information become available. Eaton makes no representation or warranty as to the information included with this declaration and the data is included for informational purposes only in order to reasonably support Customer's inquiry or needs. As we trust you understand, the information provided does not modify or change any prior or existing contracts or agreements as between Eaton and Customer.
